

Photographic Evidence Reviewer

Salary: £25,000 - £30,000 per annum depending on experience

Contract: Full-time (36.25 hours per week)

Location: Remote (United Kingdom)

Do you have experience in the construction and building industry with a background in energy assessment, building control, or architecture?

We are looking for a skilled Photo Evidence Reviewer to ensure compliance with energy efficiency standards through analysis of site photographs.

As a Photo Evidence Reviewer, you will play a crucial role in evaluating photographic evidence to verify adherence to regulatory requirements and project specifications. Your strong communication skills and keen eye for detail will be essential in identifying any discrepancies and effectively collaborating with SAP and site teams.
